<p><i>Faculty:</i> ELTE Bárczi Gusztáv Faculty of Special Needs Education</p> <p><i>The course is offered within the following programme:</i> Erasmus+ study exchange programme</p>	
<p><i>Course contents and learning outcome:</i> The aim of the course is to provide exchange students with basic knowledge on the Hungarian society, on the educational system and on educational &amp; rehabilitation services for persons with special needs. Basic issues of Hungarian special educational support are shortly presented in general and in relation to the different areas of disabilities. The lectures and discussions are held by members of the academic staff of the different departments. Additionally, visits to various schools and service centres are organised so that international students could gather some practical experience.</p>
